

Labor, Health and Human Services, and Education, and Related Agencies Appropriations Fiscal Year 2010

Name of Project: 21st Century Learning Systems

Purpose: for expansion of educational outreach for at-risk youth

Location: Columbus, MS

Amount Requested for FY10: \$ 900000

Recipient: Mississippi University for Women

Justification: Increases educational opportunities for nontraditional students

Name of Project: 21st Century Technology in the Classroom

Purpose: to support the use of technology for educational improvement

Location: Ellisville, MS

Amount Requested for FY10: \$ 426000

Recipient: Jones County Junior College

Justification: Increases educational opportunities for nontraditional students

Name of Project: Additional Equipment and Construction

Purpose: for healthcare facility construction and equipment

Location: Picayune, MS

Amount Requested for FY10: \$ 1845000

Recipient: Highland Community Hospital

Justification: Ensures the continuation of health services

Name of Project: Affordable and Accessible Drug and Alcohol Aftercare

Purpose: to provide substance abuse services

Location: Hattiesburg, MS

Amount Requested for FY10: \$ 1000000

Recipient: University of Southern Mississippi

Justification: Increases the opportunities for re-entry into workforce

Name of Project: Alliance for Mississippi Leaders and Entrepreneurs

Purpose: for education development for current and future business leaders

Location: Columbus, MS

Amount Requested for FY10: \$ 1165000

Recipient: Mississippi University for Women

Justification: Providing job training and employment decreases reliance on public programs

Name of Project: Alliance Health

Purpose: for healthcare facility construction

Location: Holly Springs, MS

Amount Requested for FY10: \$ 10000000

Recipient: Alliance Charitable Foundation

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Arthur C. Guyton Research Center

Purpose: for healthcare facility construction

Location: Jackson, MS

Amount Requested for FY10: \$ 10000000

Recipient: University of Mississippi Medical Center

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Arts Integration for Creative Learning

Purpose: to utilize art for improved learning in the areas of reading, mathematics, and science.

Location: Hattiesburg, MS

Amount Requested for FY10: \$ 250000

Recipient: University of Southern Mississippi

Justification: Increases access to arts education

Name of Project: Automated Identification Technology

Purpose: for equipment and job training workshops

Location: Itta Bena, MS

Amount Requested for FY10: \$ 500000

Recipient: Mississippi Valley State University

Justification: More educated workforce in high tech field results in higher wages and increased tax base

Name of Project: Boulevard Project

Purpose: for more efficient access to the campus

Location: Ellisville, MS

Amount Requested for FY10: \$ 5500000

Recipient: Jones County Junior College

Justification: Improves access and safety for students

Name of Project: Cancer and Basic Science Research Center

Purpose: for increased research in cardiovascular diseases

Location: Jackson, MS

Amount Requested for FY10: \$ 2000000

Recipient: University of Mississippi Medical Center

Justification: Expanding healthcare research leads to fewer health problems in the future

Name of Project: Center for Economic Education

Purpose: to establish a program to enhance K-12 instruction in economics and personal finance

Location: Hattiesburg, MS

Amount Requested for FY10: \$ 200000

Recipient: University of Southern Mississippi

Justification: Increases and improves capacity for economics and personal finance education

Name of Project: Center for Professional Ethics and Social Responsibility

Purpose: to establish a program for instruction in resolving ethical conflicts

Location: Columbus, MS

Amount Requested for FY10: \$ 443000

Recipient: Mississippi University for Women

Justification: Increase capacity for ethic education

Name of Project: Center for Thermal Pharmaceutical Processing

Purpose: for healthcare facility construction

Location: University, MS

Amount Requested for FY10: \$ 1500000

Recipient: University of Mississippi

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Center for Women's Research and Public Policy

Purpose: for further research in women's research

Location: Columbus, MS

Amount Requested for FY10: \$ 518000

Recipient: Mississippi University for Women

Justification: Increases capacity for policy research on women and girls

Name of Project: Center of Excellence in Cardiovascular Research

Purpose: for healthcare facility construction

Location: Jackson, MS

Amount Requested for FY10: \$ 1500000

Recipient: University of Mississippi Medical Center

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Center of Excellence in Women's and Children's Health Research

Purpose: for increased research in women's health

Location: Jackson, MS

Amount Requested for FY10: \$ 2000000

Recipient: University of Mississippi Medical Center

Justification: Expanding healthcare research leads to fewer health problems in the future

Name of Project: Children's Health Education Outreach Program

Purpose: for mobile outreach equipment

Location: Tupelo, MS

Amount Requested for FY10: \$ 450000

Recipient: Health Care Foundation of North Mississippi

Justification: Improved children's health leads to fewer health problems in the future

Name of Project: Choctaw Health Center

Purpose: for healthcare facility equipment

Location: Choctaw, MS

Amount Requested for FY10: \$ 175000

Recipient: Mississippi Band of Choctaw Indians

Justification: Ensures the continuation of health services

Name of Project: Coastal Family

Purpose: for program funding and system upgrades

Location: Biloxi, MS

Amount Requested for FY10: \$ 766000

Recipient: Community Health Outcomes

Justification: Ensures the continuation of health services

Name of Project: Community Hospital TeleHealth Consortium

Purpose: for program expansion in underserved locations

Location: Tupelo, MS

Amount Requested for FY10: \$ 750000

Recipient: Community Hospital Tele-Health Consortium/North Mississippi Health Services

Justification: Ensures the continuation of health services

Name of Project: Community Room Addition to Ellisville Library

Purpose: for the expansion of the Ellisville Library

Location: Ellisville, MS

Amount Requested for FY10: \$ 950000

Recipient: City of Ellisville

Justification: Ensures the continuation of educational services

Name of Project: Community Wellness Clinic

Purpose: for healthcare facility construction

Location: University, MS

Amount Requested for FY10: \$ 5000000

Recipient: University of Mississippi

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Comprehensive Recreation/Arts Access

Purpose: to renovate arts facility

Location: Natchez, MS

Amount Requested for FY10: \$ 5000000

Recipient: City of Natchez

Justification: Increases access to the arts

Name of Project: Curriculum and Professional Development

Purpose: for educational development

Location: Hattiesburg, MS

Amount Requested for FY10: \$ 1000000

Recipient: University of Southern Mississippi

Justification: Increases and improves capacity for education

Name of Project: Detection of Infectious Diseases Caused by Migrating Birds

Purpose: for the improvement of healthcare

Location: Hattiesburg, MS

Amount Requested for FY10: \$ 2500000

Recipient: University of Southern Mississippi

Justification: Expanding healthcare research leads to fewer health problems in the future

Name of Project: Dropout Recovery Program

Purpose: for GED preparation and the evaluation and testing of at risk and incarcerated youth

Location: Columbus, MS

Amount Requested for FY10: \$ 400000

Recipient: Greater Columbus Learning Institute

Justification: Increases educational opportunities for nontraditional students

Name of Project: Dyslexia Intervention Program

Purpose: to expand a dyslexia model program

Location: Petal, MS

Amount Requested for FY10: \$ 250000

Recipient: 3D School

Justification: Increases capacity for Dyslexia intervention and education

Name of Project: Electronic Medical Record and Patient Safety Initiative

Purpose: for healthcare facility equipment

Location: Brookhaven, MS

Amount Requested for FY10: \$ 2000000

Recipient: King's Daughters Medical Center

Justification: Ensures the continuation of health services

Name of Project: Electronic Medical Record Equipment

Purpose: for healthcare equipment

Location: Starkville, MS

Amount Requested for FY10: \$ 950000

Recipient: Oktibbeha County Hospital

Justification: Ensures the continuation of health services

Name of Project: Elevated Addition to Medical Center

Purpose: for healthcare facility construction

Location: Biloxi, MS

Amount Requested for FY10: \$ 8000000

Recipient: Hancock Medical Center

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Ellisville Library Renovations

Purpose: for collection care and equipment

Location: Ellisville, MS

Amount Requested for FY10: \$ 905000

Recipient: City of Ellisville

Justification: Ensures the preservation of educational resources

Name of Project: Emergency Department Expansion Initiative

Purpose: for healthcare facility construction

Location: Philadelphia, MS

Amount Requested for FY10: \$ 2000000

Recipient: Neshoba County General Hospital

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Enhancing K-12 Science and Mathematics Preparation

Purpose: to support an initiative that will enhance K-12 instruction in science, mathematics and technology

Location: Mississippi State, MS

Amount Requested for FY10: \$ 500000

Recipient: Mississippi State University

Justification: Increases and improves capacity for mathematics and science education

Name of Project: Family Medicine Physician Residency and Training Program

Purpose: for healthcare facility construction

Location: Tupelo, MS

Amount Requested for FY10: \$ 1800000

Recipient: North Mississippi Health Services

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Gifted Studies

Purpose: to support curriculum development for gifted elementary students

Location: Hattiesburg, MS

Amount Requested for FY10: \$ 250000

Recipient: University of Southern Mississippi

Justification: Increases educational opportunities for nontraditional students

Name of Project: Global Mobile Military Chaplain Program

Purpose: for technology improvements for the military chaplain instruction program

Location: Jackson, MS

Amount Requested for FY10: \$ 502000

Recipient: Wesley Biblical Seminary

Justification: Increases access to modern technology education

Name of Project: Greenville Municipal Wellness Project

Purpose: for healthcare facility construction

Location: Greenville, MS

Amount Requested for FY10: \$ 2000000

Recipient: City of Greenville

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Hands-On Science and Mathematics on the Tennessee-Tombigbee Waterway

Purpose: for enhancing teaching opportunities for K-12

Location: Columbus, MS

Amount Requested for FY10: \$ 480000

Recipient: Mississippi University for Women

Justification: Increases and improves capacity for science education

Name of Project: Health Education Center

Purpose: for healthcare facility construction

Location: Fulton, MS

Amount Requested for FY10: \$ 10000000

Recipient: Itawamba Community College

Justification: Increased number of nurses results in improved access to health care

Name of Project: Health Program for At-Risk Students

Purpose: to provide mental health services for students

Location: Jackson, MS

Amount Requested for FY10: \$ 2500000

Recipient: Health Assurance

Justification: Increases educational opportunities for nontraditional students

Name of Project: Infrastructure Enhancement for Workforce Education and Training

Purpose: for workforce education and training products

Location: Mississippi State, MS

Amount Requested for FY10: \$ 2000000

Recipient: Mississippi State University

Justification: Providing job training and employment decreases reliance on public programs

Name of Project: Leading Students to College Readiness

Purpose: to establish a program for teaching development

Location: Columbus, MS

Amount Requested for FY10: \$ 314000

Recipient: Mississippi University for Women

Justification: Increases educational opportunities for nontraditional students

Name of Project: Leake Memorial Hospital

Purpose: for healthcare facility construction

Location: Carthage, MS

Amount Requested for FY10: \$ 20000000

Recipient: Leake County Board of Supervisors

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Medical Equipment Acquisitions and Communications Infrastructure

Purpose: for healthcare equipment

Location: Bay St. Louis, MS

Amount Requested for FY10: \$ 2986000

Recipient: Hancock Medical Center

Justification: Ensures the continuation of health services

Name of Project: Medicare/Medicaid Claims Data Repositories to Support Pharmacoepidemiology Outcomes and Pharmacovigilance Research

Purpose: for healthcare facility construction

Location: University, MS

Amount Requested for FY10: \$ 1000000

Recipient: University of Mississippi

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Memorial Hospital's Stroke Education and Prevention Community Network

Purpose: for the establishment of a stroke education and prevention network

Location: Gulfport, MS

Amount Requested for FY10: \$ 475000

Recipient: Memorial Hospital at Gulfport

Justification: Expanding healthcare research leads to fewer health problems in the future

Name of Project: Mississippi Building Blocks

Purpose: to provide training in best practices for early childhood training

Location: Ridgeland, MS

Amount Requested for FY10: \$ 5000000

Recipient: Mississippi Building Blocks

Justification: Increased literacy education for underserved students

Name of Project: Mississippi Children's Health Project

Purpose: for healthcare facility construction in Mississippi

Location: New York, NY

Amount Requested for FY10: \$ 400000

Recipient: Children's Health Fund

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Mississippi College Dyslexia Therapy Training Program

Purpose: to support dyslexia education and training

Location: Clinton, MS

Amount Requested for FY10: \$ 250000

Recipient: Mississippi College

Justification: Increases capacity for Dyslexia intervention and education

Name of Project: Mississippi Early Childhood Bridges Project

Purpose: to improve the quality of instruction and prevent attrition of teachers in early care and education centers

Location: Mississippi State, MS

Amount Requested for FY10: \$ 2500000

Recipient: Mississippi State University

Justification: Increases and improves capacity teacher education

Name of Project: Mississippi Gift of Life Center

Purpose: for healthcare facility construction

Location: Flowood, MS

Amount Requested for FY10: \$ 5000000

Recipient: Mississippi Organ Recovery Agency

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Mississippi ILED Training Project

Purpose: for job training in innovative technology industries

Location: Ridgeland, MS

Amount Requested for FY10: \$ 250000

Recipient: Mississippi Technology Alliance

Justification: Providing job training and employment decreases reliance on public programs

Name of Project: Mississippi Integrated Workforce Performance System

Purpose: for continued development of workforce performance measurement system and job training initiative

Location: Mississippi State, MS

Amount Requested for FY10: \$ 500000

Recipient: Mississippi State University

Justification: Providing job training and employment decreases reliance on public programs

Name of Project: Mississippi Interactive Exhibit

Purpose: to support exhibit

Location: Jackson, MS

Amount Requested for FY10: \$ 1000000

Recipient: MS Children's Museum

Justification: Increase access to educational opportunities

Name of Project: Mississippi Learning Institute

Purpose: to support teacher education and training in reading and mathematics

Location: Jackson, MS

Amount Requested for FY10: \$ 1200000

Recipient: Jackson State University

Justification: Increases and improves capacity for mathematics and science education

Name of Project: Mississippi Rural Literacy Program

Purpose: for the establishment of literacy programs in rural areas of the state

Location: Westport, CT

Amount Requested for FY10: \$ 500000

Recipient: Save the Children

Justification: Increased literacy education for underserved students

Name of Project: National Biomedical Research Imaging Center

Purpose: for increased research and technology in cardiovascular disease

Location: Jackson, MS

Amount Requested for FY10: \$ 4000000

Recipient: University of Mississippi Medical Center

Justification: Expanding healthcare research leads to fewer health problems in the future

Name of Project: National Center for Natural Products Research

Purpose: for healthcare facility construction

Location: University, MS

Amount Requested for FY10: \$ 10000000

Recipient: University of Mississippi

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: National Center of Obesity Research

Purpose: for increased obesity research

Location: Jackson, MS

Amount Requested for FY10: \$ 5000000

Recipient: University of Mississippi Medical Center

Justification: Expanding healthcare research leads to fewer health problems in the future

Name of Project: New Albany Campus Expansion

Purpose: for healthcare facility construction

Location: New Albany, MS

Amount Requested for FY10: \$ 1600000

Recipient: Northeast Mississippi Community College

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: PALS Center

Purpose: for training and development for youth and young adults

Location: Gulfport, MS

Amount Requested for FY10: \$ 1400000

Recipient: Gulfport Police Department

Justification: Providing job training and employment decreases reliance on public youth programs

Name of Project: Patient Room Construction

Purpose: for healthcare facility construction

Location: Starkville, MS

Amount Requested for FY10: \$ 1250000

Recipient: Oktibbeha County Hospital

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Patient Room Construction

Purpose: for healthcare facility construction

Location: Hattiesburg, MS

Amount Requested for FY10: \$ 4800000

Recipient: Forrest General for Highland

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Personal Place Project

Purpose: for extensive roof replacement and installation for hospital and Personal Place Independent Living

Location: Aberdeen, MS

Amount Requested for FY10: \$ 850000

Recipient: Pioneer Community Hospital

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Phase C Surgery/OR Expansion

Purpose: for healthcare facility construction

Location: Picayune, MS

Amount Requested for FY10: \$ 2600000

Recipient: Highland Community

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Preparing Master Teachers of Economics

Purpose: for the expansion of programs for education students in the field of economics

Location: Mississippi State, MS

Amount Requested for FY10: \$ 500000

Recipient: Mississippi State University

Justification: Increases and improves capacity for economic education

Name of Project: Preserving and Digitizing Recordings

Purpose: for the restoration of collections

Location: University, MS

Amount Requested for FY10: \$ 407500

Recipient: University of Mississippi

Justification: Increases capacity of preservation of recordings

Name of Project: Renovation and Equipment for Cardiovascular Unit

Purpose: for healthcare facility construction and equipment

Location: Corinth, MS

Amount Requested for FY10: \$ 478000

Recipient: Magnolia Regional Health Center

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Renovation of Patient Rooms and Support Areas

Purpose: for healthcare facility construction

Location: Biloxi, MS

Amount Requested for FY10: \$ 295000

Recipient: Hancock Medical Center

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: School of Nursing

Purpose: for healthcare facility construction

Location: Hattiesburg, MS

Amount Requested for FY10: \$ 6000000

Recipient: University of Southern Mississippi

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: School of Pharmacy

Purpose: for healthcare facility construction

Location: Jackson, MS

Amount Requested for FY10: \$ 6000000

Recipient: University of Mississippi

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Science Education Exhibits/Outreach Programs

Purpose: for exhibits and collection care

Location: Jackson, MS

Amount Requested for FY10: \$ 320000

Recipient: Mississippi Museum of Natural Science Foundation

Justification: Increases access to educational resources

Name of Project: Shaw Health Care Center

Purpose: for healthcare facility construction

Location: Cleveland, MS

Amount Requested for FY10: \$ 750000

Recipient: Bolivar County Board of Supervisors

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Shelled Beds

Purpose: to finished shelled beds

Location: Picayunne, MS

Amount Requested for FY10: \$ 4800000

Recipient: Highland Community Hospital

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Smart Mississippi

Purpose: to provide K-12 teachers with tools and materials to integrate financial literacy into existing curricula

Location: Jackson, MS

Amount Requested for FY10: \$ 1200000

Recipient: MS Council on Economic Education

Justification: Increases and improves capacity for teacher education

Name of Project: Southern Institute for Mental Health Advocacy, Research, and Training

Purpose: for healthcare facility construction

Location: Jackson, MS

Amount Requested for FY10: \$ 1200000

Recipient: Jackson State University

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Student Retention Initiatives

Purpose: for programs to evaluate and improve student retention

Location: Hattiesburg, MS

Amount Requested for FY10: \$ 1000000

Recipient: University of Southern Mississippi

Justification: Increases educational opportunities for nontraditional students

Name of Project: Sunrise Job Training Program

Purpose: for the establishment of a job training program

Location: Southaven, MS

Amount Requested for FY10: \$ 100000

Recipient: Impact Missions

Justification: Providing job training and employment decreases reliance on public programs

Name of Project: Telehealth/Telepsychiatry

Purpose: for telehealth technology equipment

Location: Madison, MS

Amount Requested for FY10: \$ 3700000

Recipient: Cybernostic Healthcare Services

Justification: Ensures the continuation of health services

Name of Project: Tissue Engineering Research Center (TERC)

Purpose: for healthcare facility construction

Location: University, MS

Amount Requested for FY10: \$ 2000000

Recipient: Mississippi State University

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Transitional Job Project for the Homeless

Purpose: for work force training opportunities for homeless individuals

Location: Jackson, MS

Amount Requested for FY10: \$ 385000

Recipient: City of Jackson, MS

Justification: Providing job training and employment decreases reliance on public programs

Name of Project: Translational Research and Training Collaboration

Purpose: for the improvement of translational research and training partnership

Location: Jackson, MS

Amount Requested for FY10: \$ 1500000

Recipient: University of Mississippi Medical Center

Justification: Expanding healthcare research leads to fewer health problems in the future

Name of Project: Upgrade of Instructional Technology

Purpose: to prepare students for career opportunities in new technologies

Location: Poplarville, MS

Amount Requested for FY10: \$ 1900000

Recipient: Pearl River Community College

Justification: Providing job training and employment decreases reliance on public programs

Name of Project: Veteran's Outreach and Entrepreneurial Resource Center

Purpose: to establish a higher education outreach program for veterans

Location: Columbus, MS

Amount Requested for FY10: \$ 300000

Recipient: Mississippi University for Women

Justification: Increases educational opportunities for nontraditional students

Name of Project: Wellness Center and Replacement of Operating Room Suites

Purpose: for healthcare facility construction

Location: Ruleville, MS

Amount Requested for FY10: \$ 8400000

Recipient: North Sunflower Medical Center

Justification: Improved health, preventative wellness, less utilization of medical resources

Name of Project: Women In Construction Program

Purpose: for job training for low income women

Location: Biloxi, MS

Amount Requested for FY10: \$ 843000

Recipient: Moore Community House

Justification: Providing job training and employment for women to decrease reliance on public programs

Name of Project: Work Force to Employment

Purpose: to develop relevant work force training programs for existing job markets

Location: Hattiesburg, MS

Amount Requested for FY10: \$ 500000

Recipient: University of Southern Mississippi

Justification: Providing job training and employment decreases reliance on public programs

Name of Project: YMCA Facilities

Purpose: for healthcare facility construction

Location: Jackson, MS

Amount Requested for FY10: \$ 1200000

Recipient: YMCA of Metropolitan Jackson

Justification: Improved health, preventative wellness, less utilization of medical resources
